

## United States Power Squadrons District 9 Picnic

Pre-Coast Guard Parade Friday August 2, 2019

Safe Harbors Great Lakes Marina

1920 Lakeshore Drive

Picnic starts at 6 PM with a DJ for after dinner entertainment and dancing! Building 3 ½ by Dock E. Come early and help set up if you like, or just visit and chill.

Note: Lakeshore is one way westbound due to construction, enter marina thru east entrance, one block past Lake Express entrance. Bring your wife, girl or boy friend, kids or other guest to have a great social meal and fun!

If you bring something to share, make it a small dish to pass for 6-8 people.

We will furnish hamburgers, brauts, of course buns, soft beverages, plates, eating utensils. Beer, wine or other is your responsibility.

Don't just come for the picnic but for the day or two as there are three different ships available for tours; WWII sub USS Silversides, SS Milwaukee Clipper and WWII USS LST 393.

USCGAux members, please remember to bring casual clothes. Come to meet us and learn about what we do and what fun we have!

**Please note the picnic will be inside Bldg 3 1/2, so rain or shine we will have a picnic and a good time!**
